- 1978 - *20/20* debuted on ABC.

End of the Year

This school year has been a great one, but it's coming to a close. Remember exams start tomorrow so get a good night's rest and make sure you are prepared. Also don't forget to clean out your locker, turn in any missing assignments, and turn in your iPad. Be sure to have a fun and safe summer!

Person of the Day

Today's Person of the Day is Abbey! She is a junior here at CHS who participates in band, Science Olympiad, Pep Club, and Student Senate. Outside of school she works at McLain's and the Laurium Manor. Her favorite teacher is Mr. Croze because he's funny and a great educator. What she loves about CHS is the dedicated staff and wonderful group of friends. Her plan after high school is to go to college.

New Portable Speaker

To make listening to music more convenient in the summer while you're swimming, Ultimate Ears has created a speaker that can withstand water. The speaker is called Wonderboom and retails for \$100. It is available on the company's website and Amazon. It also includes hands-free Siri and Google Assistant voice commands.
