Jonas Brothers Comeback

Fans of the Jonas Brothers were going crazy when The Brothers were dropping hints of possibly getting back together. Nick Jonas reported that the brothers had hung out all weekend and the Jonas Brothers Instagram page was restarted. He also said, "Right now there's no reunion planned. But never say never—you never know what's going to happen."

The Spotlight: Senior

Today's spotlight of the day is senior, Jayna! Outside of school she enjoys taking pictures and hanging out with friends! Her favorite teacher is Mrs. O'Donnell because she loves what she does. What she loves the most about CHS is the students and the sporting events. After high school she plans on attending the fifth year and then a four year college.

What Do You Think?

How many people do you think there are in the United States?

- 800 million, Rebecca Sturos
